4.04 Annual Assessment of Maintenance Charge

(a) Subject to the terms of this Article, each Lot in the Property is hereby subjected to an annual maintenance charge for the purpose of creating a fund to be known as the "maintenance fund". The amount of the annual assessment shall be set forth in an annual budget to be prepared by the Board of Directors covering the estimated costs of operating the Association during the coming year. The budget shall include a capital contribution establishing a reserve fund, in accordance with a capital budget. The Board shall cause a copy of

the budget, and the amount of the assessments to be levied against each Lot for the following year, to be delivered to each Owner at least fifteen (15) days prior to the proposed effective date. The budget and the assessments shall become effective unless disapproved by a vote of at least a majority of the total Association membership. Unless requested by the Members in accordance with the provisions for calling a special meeting by the Members, as set forth in the By-Laws, the budget and assessment may take effect without a meeting of the Members. Notwithstanding the foregoing, however, in the event the membership disapproves the proposed budget or the Board fails for any reason so to determine the budget for the succeeding year, then and until such time as a budget shall have been determined, the budget and assessment in effect for the then current year shall continue; and the Board may propose a new budget at any time during the year by causing to be delivered to the Members such proposed budget and assessment as least fifteen (15) days prior to the proposed effective date. Annual assessments or maintenance charges will be paid by the Owner or Owners of each Lot within the Property (and any area annexed under the jurisdiction of the Association) in advance in monthly, quarterly or annual installments.

Notwithstanding the preceding, the annual maintenance charge and assessment will commence as to each Lot owned by Declarant or a builder upon the occupancy of a permanent dwelling located thereon as a residence. For the calendar year in which the sale is closed. The maintenance charge shall be prorated as of the date of closing If required by law or upon consent by Declarant, or for any other reason, Declarant is required to pay assessments on unoccupied Lots, any builders, who have purchased a Lot from Declarant for the purpose of erecting a dwelling thereon shall likewise be required to pay assessments with respect to any such Lots owned by them. In no event shall Declarant nor any builder be required to pay any portion or portions of assessments which are due and payable prior to the date upon which the Declarant is required to pay assessments. In addition and notwithstanding anything to the contrary herein, the Declarant may contribute assessments due from it in services or materials or a combination of services and materials, rather than in money (herein collectively called "in kind contribution"). The amount by which, monetary assessments shall be decreased as a result of any in kind contribution shall be the fair market value of the contribution. If the Declarant and the Association agree as to the value of any contribution, the value shall be as agreed. If the Association and the Declarant are still unable to agree on the value of the contribution, the value shall be deemed to be the average of the bids received from the independent contractors.

(d) Beginning on the date of this Declaration is executed through December 31, 1995, the annual maintenance charge and assessment will not exceed a rate of \$350.00 per annum (said rate of charge referred to hereinafter as the "Maximum Rate" or "Maximum Assessment"). The rate charged during this period (the "Initial Rate") will be determined by the Board of Directors; however, said Initial Rate will not exceed the maximum rate stated in the preceding sentence. Whether such assessment shall be payable monthly, quarterly or annually will be determined by the Board of Directors. If not increased, as provided herein, the maximum

assessment for each successive year shall equal the maximum rate in effect for the previous year. Beginning January 1, 1996, and from year to year thereafter, the annual assessment may be adjusted by the Board of Directors as the needs of the Development may in the judgment of the Directors require; however, the annual assessment shall not exceed the maximum annual assessment which may be increased by the Board of Directors each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the membership, which shall require approval of two-thirds (2/3) of each class of Members present, in person or by proxy, at a meeting duly called for such purpose, with at least sixty (60%) percent of the Owners or other proxies present. If sixty (60%) percent of the Owners do not attend, a second meeting may be called and the quorum will be reduced to thirty (30%) percent of the Owners or their proxies. The due dates shall be established by the Board of Directors. The Association shall use the proceeds of said maintenance fund in providing for normal, recurring maintenance charges for the Common Property for the use and benefit of all residents of said Property. The Association shall, in addition, establish and maintain an adequate reserve fund for the periodic maintenance, repair, and replacement of improvements to the Common Property. The fund shall be established and maintained out of regular annual assessments.

4.05 Special Assessments for Working Capital Fund, Nonrecurring Maintenance, and Capital Improvements. In addition to the annual assessments authorized by this Article IV, the Association may levy:

(a) in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of nonrecurring maintenance, or the acquisition, construction, reconstruction, repair or replacement of a capital improvement upon Common Property, including fixtures and personal property related thereto, provided that any such assessment shall have been approved by a two-thirds (2/3) vote of each class of Members of the Association who are present in person or by proxy at a meeting duly called for such purpose. The aggregate fund established by such special assessment shall be maintained in a segregated account, and shall be for the purpose of insuring that the Association will have cash available to meet unforeseen expenditures, or to acquire additional equipment, the cost of nonrecurring maintenance or services deemed necessary or desirable by the Board; and

At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called

subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

4.07 Effect of Nonpayment of Assessments. If any assessment or installment is not paid within fifteen (15) days after the Due Date there may be imposed a late or delinquency charge in the amount of the greater of Five (\$5.00) Dollars or ten percent (10%) of the amount of each assessment or installment not paid when due.
